Research
Based!

Advantages of Online Education:

Home Use - Students have access to the software anywhere they have access to the Internet.

Ease of Administration - Using our Online service makes it easier for the school's IT department.

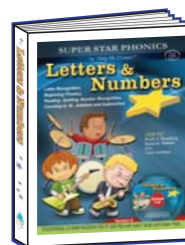

Improved Student Management - Each student has a single login, and the student's progress in all courses and classes is tracked with that login.

Quick Updates - When we make improvements to our course titles, the updates will be available to all students as soon as we make them.

Quick Delivery - Once we receive your purchase order, we can get you online in a matter of hours (subject to hours of business).

Parental Involvement - Parents will have the opportunity to work with their child at home with our easy to use and easy to understand lessons. Parents can track the progress of their child.

Early Learning

Language Arts - with Sports

Language Arts Review 3a with Sports
Advanced Level

 Grades 3-5 at grade level, remedial for **at-risk students** grades 6 and higher

- Word Families & Patterns
- Syllables
- Antonyms & Synonyms
- Homophones & Homographs
- Classifying & Sorting
- Prefixes, Root Words & Suffixes
- Reading Comprehension Strategies
- Spelling

Phonics 3a and Language Arts Review 3a are identical in content. Language Arts Review 3a features young adult characters, while Phonics 3a features elementary-age characters.

These courses feature sports-inspired "Coach" led tutorials, Learn the Words sessions, challenging Speed Rounds, and adrenaline-charged, fun-filled games to make learning a true journey. Students will master syllables, spelling, and word families. Students can track their progress every step of the way with our Student Management System.

also appropriate for at-risk students

Language Arts Review 3b with Sports
Advanced Level II

 Grades 3-5 at grade level, remedial for **at-risk students** grades 6 and higher

- Nouns & Pronouns
- Adjectives & Verbs
- Writing a Paragraph
- Types of Literature
- Subject-Verb Agreement
- Verb Tense
- Punctuation & Capitalization
- Spelling Strategies
- Reading Comprehension Strategies

Phonics 3b and Language Arts Review 3b are identical in content. Language Arts Review 3b features young adult characters, while Phonics 3b features elementary-age characters.

Based on third grade language arts standards, Phonics 3b and Language Arts Review 3b are designed to appeal to any student (third grade and above) who needs to develop solid reading, spelling and comprehension skills. Like Phonics 3a, Phonics 3b will appeal to both boys and girls, but is especially important for students who require lots of action and activity to keep their attention.

also appropriate for at-risk students
Spanish/English: ESL & Foreign Language

Spanish 1a with Phonics/Inglés 1a con Fonética
Beginning Level

Grades K-Adult

- Spanish Alphabet
- Numbers
- Colors
- Days of the Week
- Common Greetings & Conversation
- Connector Words & Accents

This unique bilingual program applies Phonics to beginning Spanish and English in one program. Students will be able to see and hear how both Spanish and English words are formed. It covers the alphabet, numbers, common words and short phrases. The Super Star data tracking/reporting and motivational system rewards and motivates the student to complete the games and songs, in addition to tracking each student's progress.

Bilingual!
Award-Winning Software

- ★ Family Learning Software Award 2008 - CFY
- ★ iParenting Media Award
- ★ Parents' Choice Gold Award
- ★ National Parenting Center Seal of Approval
- ★ Film Advisory Board "Award of Excellence"
- ★ Children's Software & New Media Review "All Star Award"
- ★ Children's Technology Review - "All Star Award"

The "Super Star" Motivational and Data Tracking System

Students earn Silver and Gold Stars for each activity, song or game they complete. Their stars are displayed on the "Super Star" page. The goal is to earn all gold stars and to earn a Gold Star Certificate of Achievement. The student's progress can also be printed (in all editions except the Home Edition).

"I love the way it keeps track of what the children have done. It is **easy to use** and requires very little teacher help."

- Jan Flowers, *The Joy School*

"I know the 'gold star' achievement award became a **big motivating factor** for my students."

- Mrs. Nilsen, *Palm Avenue Elem*
