Optional reports

The following are suggestions for optional information that would be helpful in judging the effectiveness of Super Star Online:

1. Letters from the students about their experiences using Super Star Online. (examples: which activities did they like, which did they not like, what was too hard, what was too easy, how Super Star Online helped them improve their skills and learn)
2. Letters from students about using Super Star Online with their parents. (examples: how did they feel about working at home with their parents, how did their parents help them with their assignments, how did Super Star Online help their parents understand their assignments)
3. Letters from parents about using Super Star Online with their child. (examples: how did feel about using Super Star Online to help their child, did Super Star Online make the lessons easier to understand, did Super Star Online make it easier to track the progress of their child, did they use Super Star Online to help motivate and reward their child, did Super Star Online help you build your skills)
4. Letters from parents about using Super Star Online to better connect with the teacher and school. (examples: did Super Star Online make it easier and more interesting to help your child with their assignments, did you feel that Super Star Online gave you the feeling that you were included in helping your child succeed, did using Super Star Online help you feel closer to the teacher and school)
